

A woman with reddish-brown hair, wearing a white blazer, is sitting on a green sofa. She is looking towards the camera with a slight smile while typing on a silver laptop. The background is a solid green color.

Cut straight to your news.....

Why pay for bells and whistles when you can track the media yourself?
Easy to set up, easy to use, and easy on your wallet.

Slice media tracking

Knowing what is being said about your business or industry can profoundly influence your strategic direction and future growth.

There's a Slice to suit everyone. Each package contains a number of tracking folders and news items. You are in control of setting up your tracking folders, defining a search string and the region and media type to be tracked by each folder.

Based on your tracking criteria, we sort and filter media information that is relevant to your business. We then deliver your news items into your tracking folders to you online, in real time.

Slice is 100% Australian owned, and was developed specifically to help Australian and New Zealand businesses.

Simple

No paperwork. No waiting. No delays. Getting started with Slice is quick and easy. Just sign up, log on, set up and get tracking!

Accurate

You can change your search criteria at any time to make it as specific or as general as you like. You are in control.

Economical

Effective, low-cost media tracking. Nothing more, nothing less. You won't pay for anything else you don't need or wouldn't ever use.
