Broadcast

Every day, Slice Media watches and listens to radio, free-to-air television and pay television in capital cities and regional centres, across Australia & New Zealand. The types of programs we monitor on the following radio and television stations include:

- local news
- national news
- world news
- current affairs
- sports shows
- business programs
- drive time shows
- lifestyle programs
- talkback radio
- breakfast and morning news programs
- rural reports
- entertainment shows

Whilst all stations listed are recorded 24 hours a day, our tracking focuses on the major programming and news broadcasts. If you are after content that has fallen outside of our monitoring schedule, please contact us at service@slicemedia.com to have a broadcast summary created.
